*"Today it is more necessary than ever to regain the sense of marriage as a covenant of love, by which a man and woman publicly and permanently bind themselves to one another for their mutual fulfillment and the responsible service to life.*

*As such, it has been inscribed in God's plan from the very beginning.*

*We must rediscover the beauty of marriage lived according to God's plan, and we must work so that the value of this institution, which is fundamental and indispensable for human society, is reaffirmed in consciences, in culture and in the law itself."*

*- Pope John Paul II*

### **Prayer for engaged couples**

Good and gracious God,  
as a man and woman in love,  
we share in your Divine love.  
Help us to treat each other with respect  
and not to take each other for granted.  
Help us to decide if we are meant to  
share our lives forever.  
Give us the wisdom to face ourselves  
and each other with honesty.  
When we must confront each other,  
let us speak the truth in love.  
Remind us that every moment together  
is precious.  
That our love is much more important  
than wedding details.  
Keep our sense of humour alive and well  
during the harried days of preparation.  
As we look forward to the life we will  
create together,  
may we have the strength to be true  
to each other  
in sickness and in health,  
in riches and in poverty,  
in sadness and in joy.  
May our love grow daily into a greater  
mirror of your love for all.

Dear Friends in Christ,

As you know, you are about to enter into a union which is most sacred and serious, a union which was established by God Himself.

...this union, then, is most serious, because it will bind you together in a relationship so close and so intimate, that it will profoundly influence your whole future.

...henceforth, you belong entirely to each other: you will be one in mind, one in heart, and one in affections.
